CAREER OBJECTIVE

Motivated B.Tech Computer Science graduate with hands-on project experience in Python, machine learning, and web development. AWS-certified and eager to contribute as a Software Developer or Junior Engineer, bringing strong problem-solving skills and a passion for building impactful software solutions.

EDUCATION

B.Tech — Computer Science, VVIT Guntur *2021 – 2025*

Intermediate (MPC) — Sri Chaitanya Junior College *2019 – 2021*

SSC — Sri Chaitanya School *2019*

TECHNICAL SKILLS

Languages: Python, NumPy
Web: HTML5, CSS3
Database: MySQL
ML / AI: CNN, Facial Recognition, OpenCV
Cloud & Tools: AWS (Data Analytics, Solution Architecture), Git, VS Code
Soft Skills: Critical Thinking • Problem Solving • Adaptability • Teamwork

INTERNSHIP

AWS Data Analyst Intern — AICTE *2023*

Amazon Web Services (AWS) | Data Analytics | Cloud Computing

- Completed a structured internship focused on AWS data analytics services including S3, Redshift, and QuickSight for data storage, processing, and visualization.
- Gained hands-on experience analyzing datasets using AWS tools and generating actionable insights through interactive dashboards.

PROJECTS

Smart Voting System — Facial Recognition & OTP Verification *2024*

Python | CNN | OpenCV | MySQL

- Built an AI-powered voting platform using CNN facial recognition and two-factor OTP authentication to ensure secure, fraud-free elections.
- Designed real-time face detection pipeline and integrated a MySQL database for voter records and session management.

Emergency Response App — Quick Medical Access *2024*

Python | GPS API | Push Notifications | MySQL

- Developed an app with real-time GPS tracking, emergency alerts, and direct healthcare provider contact to minimize response time.
- Optimized for reliability in low-connectivity conditions; built intuitive UI for use in high-stress emergency scenarios.

CERTIFICATIONS

- **Basics of Python** — Infosys Springboard
- **Face Recognition Quick Starter in Python** — Udemy
- **AWS Certified Data Analyst** — AICTE

I declare that all information provided is true to the best of my knowledge. **Rupesh Chowdary Garlapati**
